The Albatroz Collection

IF IMAGINING WERE ENOUGH,
IT WOULDN'T BE NECESSARY
TO SEA FOR YOURSELF.

Countless stories are told about the Albatross also known as the "most legendary of all the birds".

In Portugal it is the symbol of one of the most prestigious boutique hotel groups called **The Albatroz Collection**.

A collection that combines valuable pieces, full of history, accumulated over so many years and which, either individually or part of the intrinsic group they belong to, are pieces that reward each of the five senses as well as a sixth, which is the intuition that there is so much more to discover.

On one side the sea and on the other the views. From Cascais to Lisbon, and all along the coast... if words could only describe such an experience.

This is the reason why we propose **The Albatroz Collection** - Sea for yourself.
